Expand ICS File Generator with ORGANIZER Parameter **Open**

Discussion

- JG Jens Gielen
- **Forum name:** #Verbetervoorstellen

In the ICS generator module, we can now use the following parameters:

- Summary
- Description
- Location
- Start time
- End time

I would like to be able to add the Who (ORGANIZER).

In de ICS generator module kunnen we nu de volgende parameters gebruiken:

- Summary
- Description
- Location
- Start time
- End time

Ik zou graag de Who (ORGANIZER) kunnen toevoegen.
