Which training dates have been scheduled?

Deployteq - Suzanne Martens - 2026-03-10 - [Comments \(0\)](#) - [Training](#)

From 2026 onwards, the classroom version of the Basic Training will only be available upon request. If you're interested, please send an email to trainingen@deployteq.com.

Additionally, you can join the **final training session** that accompanies the **online version of the Deployteq Basic Training** every **even week on Thursday from 10:00 to 13:00**, via **Microsoft Teams**. In some cases, this session may also be held at our office.

You can find more information about the **online version of the Basic Training** and how to register for it [here](#).
