[SOLVED] Delayed EBE processing

2026-04-28 - Holger Houdijk - Comment (1) - Solved

Update 2026-04-29 11:00:
Processing of EBE files has been restored and delayed files have been delivered.

We are currently experiencing a service disruption in the processing of Event Based Exports (EBE). As a result, files may be delayed or have not yet been delivered.

- Status: Our technical team is working with high priority to resolve this issue.
- What does this mean for you? No action is required on your part. Once the issue is resolved, all pending files will be delivered automatically.
- What is an EBE? For more information on what an EBE file is exactly, you can consult our documentation here.
